Welcome to the 41st Annual Keystone Autumn Klassic sale - the oldest continuous running Shorthorn sale in the United States. In a 40+ years, you gain a lot of tradition, experience, and many fellow Shorthorn friends. We have lost a lot of our Shorthorn friends and breeders, but we have also made a lot of new friends and hopefully this tradition will continue in the future!

This will be a traditional sale the same as it has been. We will do everything possible to keep everyone safe by abiding by recommendations from the Centers for Disease Control.

This year we have offerings from some of the best Shorthorn herds in the east. Whatever your needs may be, you should be able to find something to suit your herd needs. Juniors – if you buy a heifer calf to show, your junior membership will be paid by the Keystone Autumn Klassic.

Please join us Friday evening at 6:00 pm for dinner and fellowship with fellow Shorthorn breeders.

As always, thanks to Shirley and Bret for hosting the sale!

A solid heifer calf out of a very good Diablo first calf heifer. Lots of style and an excellent set of EPDs. Calving ease and good growth. You will like this one if you want to raise good cattle.

We think an awful lot about this heifer, she has all the right pieces and is very unique in her color. Her dam has produced many good females over the years for us, but she may be the best one yet.

This heifer's wild color pattern is really going to turn some heads. Clean fronted and sound as a cat. Whether you take her out and show her or add her to the replacement pen, you can't go wrong with a heifer like this.
